EDUCATION

VIT BHOPAL UNIVERSITY

Bhopal, Madhya Pradesh, India

Bachelor of Technology

Expected June, 2026

- Computer Science and Engineering with Specialization in Gaming Technology
- CGPA : 8.31/10

TECHNICAL SKILLS

- **Languages and Frameworks-** C#, Python, Java
- **Database:** MySQL
- **Game Engines-** Unity, Unreal Engine

WORK EXPERIENCE

CLOVETRIX TECHNOLOGIES

March, 2025 - April, 2025

Internship

- Started with the basics of Salesforce such as getting familiar with the interface, learning in depth about the apex language.
- Worked on a project to make modification in the visualforce page of a client as per the requirements. Some of the modifications are adding some new fields in the page, rearranging the page layout, etc.

KARMA PLAY ACADEMY

September, 2025

Game Programmer Intern

- I have been tasked to program scripts in Unity for the hotbar system which follows the method of click and assign.
- I worked to assign the animation for the item being used in the hotbar.

PROJECTS

AR Tennis Game (University Project)

- It is an AR tennis game in which the player's bat is controlled by the movements of a blue coloured object which is captured by the device camera.
- Software used: Unity Engine, Onen CV
- It is a group project. I have worked on the physics of ball and bat mechanics which includes the speed of the ball after being hit by the bat and force applied by the bat on the ball.

Village Runner

- It is a chasing game made using Unreal Engine 5. It consists of a player being chased by the villagers for collecting gold coins. It also counts the coins being collected by the player during the chase.
- Conducted functional testing on Unreal Engine 5 chase game mechanics and scoring systems

CybHacks- Cyber Security Game

Tech Stack: Unity, C#

- Mechanics Implementation: Programmed interactive educational game in Unity to teach fundamental cybersecurity concepts through gamified challenges.
- UI Testing: Implemented and peer-tested the in-game HUD and menus for responsiveness and seamless user experience.

ADDITIONAL

- **Languages:** English, Tamil, Hindi
- **Soft Skills:** Fast learner, Teamplayer, Communication
